School Board Report: The School Board met last night.

The role of the school board and a photo will appear in the next newsletter. The secretary, James Taavale, will also provide feedback on meeting proceedings.

For now, the board is forming a marketing/branding subgroup. We are looking for a person who works in marketing to be part of the group. If you are qualified, have experience in this area or know someone who is or maybe interested please let Steven Ilott (Chairperson), James Taavale or the school know so we may have further discussions.

NAPLAN: This testing is finished for years 3 and 5 for 2015. We need to keep the testing in perspective as it is one test on one day. Well done to the students who worked hard preparing for the test conditions and completed their tests to the best of their ability. It is a tiring process for all involved and our students demonstrated resilience and persistence. Thank you students. NAPLAN results should be back at the school by September.

Teachers: Parents, I hope you appreciate our dedicated and professional teachers. In addition to the many hours spent at home preparing learning experiences for students, some of our teachers also work outside of the school up-skilling and keeping abreast of the latest curriculum developments and research which translate into the continued improvement of our student learning. For example, four of our staff members work with the School Curriculum and Standards Authority (SCSA): Mr Whitaker and Mrs Everall work on judging standards in Health and Physical Education and History and Social Sciences respectively. Ms Rose and Mrs Ansingh have been seconded as Principal Consultants in Early Childhood. Mrs Kowol and Mrs Hill mark NAPLAN writing and Mrs Barnes is a qualified speech therapist who supports the school with advice and practical work as does Ms Sanderson with her interior design/architecture qualification. As I say to staff, we want our school to be ‘riding on the crest of the wave’ and teachers mentioned, and those not mentioned, help to keep our school riding at the top.

Assembly: For those fortunate enough to come to our last assembly, you would have thoroughly enjoyed and been entertained by our numerous musicians. We are most fortunate to have Mrs Subotic as our music teacher. Thank you to all our students and Mrs Subotic for preparing students for the Music Assembly last Thursday. It was fantastic and a positive and happy way to start the day. Numerous parents commented on how uplifting the assembly was and thank you to those parents who also emailed the school with similar messages.

Early Childhood Open Day

Hawker Park Primary School has been allocated the concert night of Thursday 10th September 2015.

WAGSMS has introduced for 2015 an on-line ticketing system.

1. Tickets for ALL Crown concerts will go on sale at 10.00am on Monday 29 June 2015. Tickets are on a first in best seats basis. There is no limit to the number of tickets that can be purchased per transaction. Concerts have “Sold Out” in the past so to guarantee your attendance, early ticket purchase is recommended.

2. The ticket price is $23.00 per ticket. There is no student or pensioner concession on the ticket price.

3. Tickets can be purchased through Ticketmaster online at www.ticketmaster.com.au or over the telephone on 136100. A booking fee per transaction (not ticket) of $7.95 along with a 1.95% credit card charge will be charged.

4. Tickets can be purchased directly at the Box Office at Crown for $23.00 with no booking fee. Tickets at the Box Office (only) can be paid for via direct debit with no fee involved. If paid for by credit card there will still be the 1.95% fee.

5. Wheelchair and/or special need tickets can only be purchased over the telephone on 13 6100. Request must be made at the time of booking.

6. Should concerts not be “sold out” tickets will be available to purchase on-line and at the box office at Crown up until the Concerts commence.

7. Concerts will conclude no later than 10.30pm as the 2015 season has additional concert nights to accommodate fewer schools per individual night.

**Honour Certificate Recipients**

Congratulations to the following students who received an Honour Certificate at our last assembly held on the 21 May 2015. Keep up the good work!

This award is to encourage students to be proud of themselves, proud of their school and to understand the responsibilities and rewards of community participation. The basic criteria are: a sense of fair play, a generosity of spirit, commitment to community participation, and a real concern for environment.

Congratulations to Ella (Year 4) and Selina (Year 3) who have been rewarded with this important award in May 2015. Keep up the good work!

**For years our sports equipment has rolled down the hill and behind the basketball court, but that stopped last week!**

During the past week builders have been installing a new fence to stop our sports equipment from going down the hill and out of bounds. This saves students asking the teachers on duty to retrieve it. Now our sports equipment won’t get lost nor do we need to disturb our neighbours anymore!

A special thanks to our P&C!
All incoming stock that we have been waiting for is now in, which means now is the perfect time to purchase missing items from your wardrobe - jumpers, jackets, chairbags and the new polo and hats.

Don’t forget that we also stock waterproof library bags that double up as great swimming bags (and they’re big enough to hold your towel and bathers).

Uniform shop hours are Mondays 8.00-8.30am and Fridays 2.30-3.00pm.

The Year 5/6 students practised hard for the Music Assembly performance.

Year 1 students explored "Shape" as one of the elements of the dance. They used their body to make a sun shape.

The year 5/6 students explored the form of popular music. They enjoyed using movement to reflect the structure of the songs.

The year 2 students explored Locomotor and Non-locomotor movements of different body parts; head, shoulders, arms. The "Body Awareness" was the explored element of the dance.
Last Thursday’s music assembly was a showcase of our students’ and teachers’ hard work and commitment, enthusiasm and love of music!!!
Next P&C Meeting
Wednesday 3 June 2015 at 7pm in the school library.

Thanks

P&C President

School Banking
A big thank you for all the support that Hawker Park Primary School families have shown the School Banking Program at our fabulous little school. We have now opened our 100th account (which is 50% of our school students)!!! The support and encouragement has been absolutely amazing and all the children enjoy being involved in the program. Next Wednesday (at lunchtime) we will offer a small treat to all our little bankers to celebrate our big milestone!

WIN A TRIP TO DISNEYLAND!
This year there is a major competition running throughout each term, with first prize being an all-expenses paid holiday for a family of 4 to go to Disneyland in California, including $2000 spending money! Students are automatically entered into the draw by banking at school 25 times (there are now only 25 school banking weeks remaining for 2015).

School Banking is held in the library every Wednesday morning from 8.00am – 8.30am. Students who have their yellow deposit book can start banking straight away. Remember, there is no minimum amount to bank! To join School Banking parents can open an account at any Commonwealth Bank branch or visit us on Wednesday morning for more information.

School Banking is a fantastic and fun way to teach children all about financial literacy. Each time they bank at school, they receive a silver token. Once 10 tokens are collected, they can swap them for some really cool rewards. This year the rewards are "space" themed and they include:

- The full length "ET" DVD
- Planet Handball
- Invisible Ink Martian Pen
- Intergalactic Rocket
- Glow-In-The-Dark Solar System
- Cosmic Light Beam Torch
- Outer Space Savers Money Box
- Lunar Light Band

There is also a commission paid into our P&C account to help with fundraising:

- $5 for every new student who banks at school and
- 5% of all deposits made at school

Come along this Wednesday and join in the fun!

You’re School Banking Coordinators,
Kylie Babic & Leanne Tysoe
The Entertainment Books are now available from the front office. Price is only $65.00 and $13 from each book sold will go back to Hawker Park P&C. Plenty of savings are available in the book. For further information please contact Rachael Anastas 0417 720 447 or rachpaul7@bigpond.com.
