2017 Year 6 Camp Note 1

Dear Parents

The Year 6 Rottnest camp, which will be from; **Wed 10th May to Fri 12th May**. The cost will be approximately **\$300** which represents good value for money and includes; ferry fare, accommodation, educational activities and catering. Once all planning is complete, the exact cost will be forwarded to you. However we do hope to reduce this amount to hopefully \$200, with students and parents organising fundraising events in Term 1. **A deposit of \$50 is required however by Friday March 24th** as down payment is required to secure our booking. A deposit also confirms your support for the camp. Finalisation of all costings will be made after all deposits are received.

Children will be using bikes at Rottnest and are asked to ensure their bikes are roadworthy and that they get in some riding practise before we go. If students do not have a bike, these can be hired, but small sizes will be limited and will need to be booked in advance. There will be an additional cost of \$18.00 for those who wish to hire a bike.

The students are very excited about the camp and I have spoken with them regarding what is expected of them at school if they wish to attend the camp. I have been impressed with their start to the year and diligence in the classroom.

It is really important that **all** students attend the camp as it will be one of their most memorable experiences at primary school. They will also be involved in teaching and learning experiences in the classroom leading up to, and after the camp.

Regards

Andrew Etheridge
