### PARTICIPATION:

These swimming lessons are part of the schools Phys-Ed curriculum and, as such, **all children** are expected to participate. Please complete the form accompanying and return it to the office by **Friday 9 June 2017** paying particular attention to the conditions, which may affect your child's safety (last section), and noting the following:

- Parents to indicate what stage their children are going **for**.
- Children suffering from epilepsy or any medical condition involving loss of consciousness require a medical certificate stating that they are safe to swim under normal supervision OR a second person watching (parent).
- Diabetics require a second person to watch them (parent).

**REQUIREMENTS:** (all labelled) Bathers, towel, named bag. Long hair must be tied back. Goggles are recommended. Appropriate footwear is required. Children can come to school with their bathers worn under their uniform to go to the pool. Underclothes and towel will be taken to the pool in a named bag. Children will change out of their bathers to return to school. These arrangements are necessary because of the inappropriateness of being in bathers all day.

Parents attending to watch their children must enter through the main entrance and pay the appropriate entry fee.

Remember to please complete the accompanying form for the swimming teachers.
