

2017 SMARTS DAY ACTIVITY SELECTION SHEET

HAWKER PARK PS	CODE	ACTIVITY
	LS1	<p><u>MESSY SCIENCE EXPLORING ACIDS AND BASES</u></p> <p>Have you ever wondered why Lemon juice tastes bitter and burns if it touches a cut. Lemon Juice is an acid. Most liquids are either acids or bases. You can do some very fun experiments and make some cool things using Acid and Base Chemistry. In this workshop we will investigate liquids you see around the house and school and find out if they are acids or bases. We will also use acid/base chemistry to make our own chemistry rocket.</p> <p>Join us for a messy, fun and interactive session of acid/base chemistry.</p>
	LS2	<p><u>Trapped in Minecraft</u></p> <p>LOGIC: You've become trapped in the 8-bit world of Minecraft and the only way back to reality is through the locked boxes that you see before you. Make sure you read the clues carefully and pay attention to everything you see in order to figure out the combinations, open the locks and break into the box.</p> <p>Watch the promo movie here: (password Hawker) https://vimeo.com/230715734</p>
	WS1	<p><u>Indonesian Sweet Treat</u></p> <p>Come and make some Dadar Gulung. These yummy pancakes are filed with coconut and palm sugar then rolled in a shape of a spring roll.</p> <p>Make a tasty, sweet Indonesian treat that will leave you wanting more.</p>
	WS2	<p><u>Laughing Words</u></p> <p>If you want a session where you can use your imagination and have a good laugh, then 'Fun with Words' is the activity for you.
