

KINDERGARTEN

Thinking, exploring, wondering, questioning and playing!
 At Kindy we learn by doing and experiencing for ourselves.
 Rain, puddles and even ducks!
 Then to warm us up, why not have fruit by the fire!
 Just another day in a learning paradise!

The future belongs to the **curious.**
 The ones who are not afraid
 to **try** it,
explore it,
poke at it,
question it,
 and **turn** it inside out.
